

A decorative border surrounds the central text and image. It features a variety of botanical elements: a large orange at the top center, several different types of flowers (including lilies and roses) along the sides, and a rabbit at the bottom center. The border is rendered in a detailed, engraved style.

We Are All Potential Mystics

What is mysticism and how does it relate to me? As you read the joyful reflections of some of the greatest mystics the world has known, you will discover the key.

The words have been drawn from many ages and cultures; from mystics who have adhered to a religious doctrine and from many who have not. What they share is delight at the awakening of the Self to a consciousness of a divine reality.

It is the desire to connect with the source of higher knowledge and experience oneness with the universe, that so inspires the mystic.

There are many names for this source of knowledge—the Absolute, the Cosmic, God, the Divine Spirit, the Transcendent—yet the concept is one: it is the universal manifestation, the spiritual essence, that prevades all things. And, it is this entity, this Universal Oneness, that the mystic seeks to know.

By its nature, mysticism is an intensely personal experience.

It is without creeds, dogma, or the need for third parties. Instead, it is a discipline based on a desire to reach and understand the Ultimate Source and to translate the experience into a practical application of living.

It is a quest for discovery of Self.

From the beginning of time, people have sought answers to the great mysteries of life. They have asked questions such as who am I? Why am I here? What is my purpose in life?

You may have asked yourself similar questions as you looked back on your past or contemplated your future. You may have first attempted to find the answers from someone or something outside of yourself.

Yet the answers are within you.

As mystics throughout time have found, the road to discovery, peace, and enlightenment is a journey into the Divine Self.

There is more to our conscious being than we realize and it is from within that we find the keys which unlock our inner wisdom. It is from within that we can connect with the source of knowledge that lies beyond the limits of our five senses.

By going within and attuning with this source of knowledge we may experience a transitory illumination whose impact may remain forever.

The mystical experience does not have to be accompanied by flashes of lightning or the ringing of bells. It can be a very simple experience, an intuitive impression, a hunch, or an idea that helps us in our life, our work, or whatever we are planning to do.

It can be the finding of peace within, a deepening of compassion, and an understanding of our personal values in life.

The practice of mysticism can help us find our life's purpose, enhance our joy of living, and bring into manifestation the life we've dreamt of. It can awaken our psychic sense and strengthen the power of our inner being.

It can heighten our creativity and help us develop the greater sense of confidence that comes from knowing how to tap into our inner wisdom to find answers to life's challenges.

Mysticism is humanity's deepest quest for self-knowledge.

There is nothing so inspiring,
so filled with peace,
happiness, perfect health,
joy, and contentment
as the development of the
spiritual nature.

H. SPENCER LEWIS (1883-1939)

The one who seeks
the spiritual path,
is sought after by the spirit.

HAZRAT INAYAT KHAN (1882-1927)

The aim of humanity is to evolve
toward the perfection
of its own nature
and to reintegrate itself
with its spiritual condition.

ROSICRUCIAN MANUSCRIPT

Finding our soul's beauty
gives us
tremendous
freedom from worry.

JOHN OF THE CROSS (1542-1591)

The goal of life is
to provide
a vehicle for life...
To know the eternal
is called
enlightenment.

TAO TE CHING

The most beautiful and most
profound experience is the sensation
of the mystical.

It is the sower of all true science.

To know that what is impenetrable
to us really exists, manifesting itself
as the highest wisdom and the most
radiant beauty—this knowledge,
this feeling is at the center
of true religiousness.

ALBERT EINSTEIN (1879-1955)

The result of mysticism...
Within us is found the key
to our own bliss
and the meaning
to our own existence.

ROSICRUCIAN MANUSCRIPT

Do not feel insecure or afraid—
we are all held firmly
in the infinite mind of the All,
and there is naught to hurt us
or for us to fear.
There is no power
outside of the All to affect us.

THE KYBALION

Within us
are powers and abilities
that are like invisible sparks
waiting to be fanned
into brilliant flames.

H. SPENCER LEWIS (1883-1939)

Is it really so difficult
to understand
that humanity can only find
happiness by living in harmony
with natural laws and,
in a wider sense,
with divine laws?

ROSICRUCIAN MANUSCRIPT

Wherever the mind wanders,
restless and diffuse in its
search for satisfaction without,
lead it within;
train it to rest in the Self.
Abiding joy comes to those
who still the mind...
they become one with the Divine.

BHAGAVAD GITA

Set aside time every day to ask:

Where have I been?

What did I accomplish?

What would I do differently?

PYTHAGORAS (ca. 572-ca. 492 BCE)

Each person should ask him or herself:
What are you doing here?
Within their answer will be bared
their whole philosophy of life.

RALPH M. LEWIS (1904-1987)

The key to all mysteries
and the source
of all Illumination
lies deep within the Self.

ROSICRUCIAN MANUSCRIPT

Important truths
are learned only
in silence.

LOUIS-CLAUDE DE SAINT-MARTIN
(1743-1803)

Our thoughts,
even the most secret,
will never be unknown
to the Divinity.

THALES OF MILETUS (ca.624-ca.547 BCE)

There is no compromise
in matters of mysticism,
only purity of actions and
intentions can make us
efficient agents
of the Divine.

ROSICRUCIAN MANUSCRIPT

Out of the unreal,
 lead me to the real.

Out of the darkness,
 lead me into the light.

Out of death,
 lead me to deathlessness.

HINDU PRAYER

Eternity knocks at the door of our
hearts and seeks to enter.

...to obey its calls,
to entrust ourselves joyously,
with our souls and bodies,
to the inner light,
is the beginning of true life.

ROSICRUCIAN MANUSCRIPT

Concern yourself primarily
with what needs to be done in
the present
so you will merit a future
in keeping with your hopes.

ROSICRUCIAN MANUSCRIPT

Spiritual alchemy
consists of transmuting
every human fault
into its opposite quality.

ROSICRUCIAN MANUSCRIPT

One single grateful thought
raised to heaven
is the most perfect prayer.

G. E. LESSING (1729-1781)

Prayer is always

satisfying to the mystic.

Prayer requires humility.

It requires submission to the better
side of our nature.

It puts us en rapport with the more
subtle impulses of our being.

RALPH M. LEWIS (1904-1987)

He who knows others

is wise;

He who knows himself

is enlightened.

TAO TE CHING

If you want to know others,
begin by knowing yourself,
because
everyone is a mirror.

LOUIS CLAUDE DE SAINT-MARTIN
(1743-1803)

Knowledge of the soul
is the only universal truth
and the only wisdom
—all other knowledge is transient.

PLATO (ca. 427-ca. 347 BCE)

Realization of the Self
is the greatest help
that can be rendered to humanity.

SRI RAMANA MAHARSHI (1879-1950)

Life is the most precious gift
we possess,
because it makes each human being an
agent of Divinity.

ROSICRUCIAN MANUSCRIPT

If you circumambulated every holy shrine
in the world ten times,
It would not get you to heaven as quickly
as controlling your anger.

KABIR (ca. 1398-ca. 1518)

It is your destiny
to see as the Divine sees,
to know as the Divine knows,
to feel as the Divine feels.

MEISTER ECKHART (1260-ca. 1328)

When you close your doors,
and make darkness within,
remember never to say
that you are alone,
for you are not alone;
nay, the Divine is within,
and your genius is within.
And what need have they of light
to see what you are doing.

EPICETETUS (55-ca. 135)

Who is wise? One who learns from every person...

Who is strong? One who overpowers their inclinations...

Who is rich? One who is satisfied with their lot...

Who is honorable? One who honors their fellows.

PIRKEI AVOT

The future must not be merely
something we are approaching
but something we construct.
We must actively create it
moment by moment.

CLAUDIO MAZZUCCO (1960-Present)

To see a World in a Grain of Sand
And a Heaven in a Wild Flower
Hold Infinity in the palm of your hand
And Eternity in an hour...

WILLIAM BLAKE (1757-1827)

This is what spiritual development
means—the recognition, realization,
and manifestation
of the Spirit within us.

THE KYBALION

Your eyes cannot see themselves.
Place a mirror before them and
they see themselves.
Similarly with the creation.
See yourself first and then see the
whole world as the Self.

SRI RAMANA MAHARSHI (1879-1950)

Thou believest thyself
to be nothing,
and yet it is in thee
that the world resides.

AVICENNA (980-1037)

I know a cure for sadness: Let your hands
touch something that makes your eyes
smile. I bet there are a hundred objects
close by that can do that.

Look at beauty's gift to us—her power is
so great she enlivens the earth, the sky,
our soul.

MIRABAI (1498-1550)

Behave in such a way that all those who share your existence or live in contact with you regard you as an example and feel the desire to be like you. Guided by the voice of your conscience, may your ethics be as pure as possible and may your first preoccupation always be to think well, speak well, and act well.

ROSICRUCIAN CODE OF LIFE, Point #7

All mystical traditions refer to the
Divine Word,
that is, the word uttered by the Divine
when creating the universe.

From an esoteric point of view,
it signifies the setting into motion
of Cosmic laws from which
arose visible creation.

ROSICRUCIAN MANUSCRIPT

There is a wonderful problem waiting
for you that the Divine and I share:
how to keep from fainting
when we see each other.
In truth: how does the Divine keep
from fainting looking at Itself all day?

RUMI (1207-1273)

There is no
earthly pleasure
that can possibly take the place
of spiritual joy.

H. SPENCER LEWIS (1883-1939)

The sum total of all that lives
is God [the Divine].
We may not be God [the Divine],
but we are of God [the Divine],
even as a little drop of water
is of the ocean.

MAHATMA GANDHI (1869-1948)

Never be discouraged,
because the simple act of prayer
 draws us to the Divine's
blessings, even if we are not conscious
of it
at the time.

ROSICRUCIAN MANUSCRIPT

Prayer is the contemplation
of the facts of life
from the highest
point of view.

RALPH WALDO EMERSON (1803-1882)

To practice divine principles
is far better
than simply to profess them.

H. SPENCER LEWIS (1883-1939)

The person whose speech and actions
are the same—their feet become worthy
of worship.

Keeping our word is the alchemy
to become free and whole.

TUKARAM (ca. 1608-ca. 1649)

Mysticism teaches Cosmic laws
and principles by which we are
brought into closer consciousness
of our divine power.

The mystical experience of union
with the One imposes upon the
mystic a moral obligation
—to use this knowledge for the
welfare of others.

ROSICRUCIAN MANUSCRIPT

Isolate yourself for a moment every day, preferably in your Sanctum, and send thoughts of love, harmony, and health towards humanity as a whole, particularly towards all those who suffer physically or mentally. Also ask the Divine to assist them on all planes and to preserve them as much as possible from the ordeals of life.

ROSICRUCIAN CODE OF LIFE, Point #6

The Cosmic is ever mindful of the
intents and motives that actuate all
mystic students

who seek its blessings.

The more impulsively and
whole-heartedly one responds to an
inner impulse or urge,
the more definitely it is registered
on the Cosmic records.

ROSICRUCIAN MANUSCRIPT

Let the soul reflect upon what it
sends ahead
for the morrow.

QUR'AN

Be generous towards those who are in need or less favored than you. Arrange things every day so that you do at least one good deed for someone else. Whatever your good deed, do not boast, but thank the Divine for enabling you to contribute to the well-being of others.

ROSICRUCIAN CODE OF LIFE, Point #9

So many gods [deities],
so many creeds,
so many paths that wind and wind,
while just the art of being kind
is all the sad world needs.

ELLA WHEELER WILCOX (1850-1919)

Meditation is a transformation
of consciousness.

When we meditate we change our
state of receptivity,
like tuning to a higher wavelength.

Meditation is attunement.

ROSICRUCIAN MANUSCRIPT

The goal of the mystic
is to develop the intelligence
of the heart.

ROSICRUCIAN MANUSCRIPT

As above, so below;

as below, so above.

Grasping this principle
gives one the means of solving
many a dark paradox
and hidden secret of nature.

THE KYBALION

Know yourself
and you will know
the universe and the
deities.

THALES OF MILETUS (ca. 624-ca. 547 BCE)

Illumination comes from
unceasing work to perfect oneself
—it is the foundation of the
spiritual quest.

ROSICRUCIAN MANUSCRIPT

Intuition and mystical insight
are direct channels to the mind.
They represent a sixth sense
in addition to the physical ones,
by which we become more than
a physical entity.

ROSICRUCIAN MANUSCRIPT

Every trial is an additional
opportunity
to enlarge our understanding of
the Divine Plan.

ROSICRUCIAN MANUSCRIPT

Deep within each of us,
there is a marvelous sanctuary
of the soul personality,
a divine center,
a voice which can be heard and
where we can always return.

ROSICRUCIAN MANUSCRIPT

The only initiation we need
is to enter into the heart of the Divine
so that the heart of the Divine
will enter into us.

LOUIS-CLAUDE DE SAINT-MARTIN
(1743-1803)

Your duty is to be;
and not to be
this or that.

SRI RAMANA MAHARSHI (1879-1950)

The transmigration of life
takes place in one's mind.
Let one therefore
keep the mind pure,
for what one thinks,
that one becomes;
this is the mystery of Eternity.

MAITRI UPANISHAD

To be influenced
by what we hold sacred
or look upon
as being holy
is to be influenced
by the highest forces
of the universe.

CECIL A. POOLE (1907-1989)

A soul
pure in the Divine
is the Divine.

PHILOKALLA

As humanity is one in essence,
our happiness is only possible
by promoting the welfare
of all people,
without exception.

ROSICRUCIAN MANUSCRIPT

Waste no more time
talking about great souls
and how they should be.
Become one yourself!

MARCUS AURELIUS (121-180)

The greatest of all Masters
is the Master Within
for this Master is ultimately,
and at its deepest level,
the Divine itself.

ROSICRUCIAN MANUSCRIPT

The inner intelligence of the body
is the ultimate
and supreme genius in nature.
It mirrors the wisdom of
the cosmos.

VEDIC VERSE

The eye with which I see
the Divine is the same
as that with which
the Divine sees me.

MEISTER ECKHART (1260-ca.1328)

Your vision will become clear only
when you look into your heart...

Who looks outside, dreams.

Who looks inside,
awakens.

CARL GUSTAV JUNG (1875-1961)

God [the Divine]
has
no religion.

MAHATMA GANDHI (1869-1948)

Spiritual values
constitute
the real wealth and power
in our lives.

H. SPENCER LEWIS (1883-1939)

The mystic looks upon
death as a necessary element in
the cycle of life.

Death and birth are synonymous
in this sense, for so-called death
is birth into another plane,
while birth is likewise a transition.

Both are a form of initiation
affording an opportunity for
greater advancement.

ROSICRUCIAN MANUSCRIPT

Live without thought of dying,
for dying
is not a truth.

CATHERINE OF SIENA (1347-1380)

The purpose of evolution is to attain
understanding
of the necessity of doing good and living
in harmony with cosmic laws,
and to express
your divine nature
in everything you think,
say, and do.

ROSICRUCIAN MANUSCRIPT

Darkness cannot drive out
darkness;
only light can do that.

MARTIN LUTHER KING JR. (1929-1968)

The farther away light is
from one's touch,
the more one naturally speaks
of the need for change.

THERESA OF AVILA (1515-1582)

The world is full of magic things,
patiently waiting
for our wits
to grow sharper.

EDEN PHILLPOTTS (1862-1960)

One cannot but be in awe when
[one] contemplates the mysteries
of eternity, of life,
of the marvelous structure
of reality.

It is enough if one tries to merely
comprehend a little of this
mystery each day.

Never lose a Holy curiosity.

ALBERT EINSTEIN (1879-1955)

The first peace... is that which comes
within the souls of people
when they realize
their relationship, their oneness,
with the universe and all its powers.

BLACK ELK (1863-1950)

The result of mysticism... is a purification process, which renders each vehicle of being as a channel for Divine Intelligence.

It is a total conscious surrender to the Supreme Truth that awaits the moment to manifest.

ROSICRUCIAN MANUSCRIPT

It is inspiring to be aware that the
universe lives through us,
and that the greatest meaning
in this whole story is therefore
present in every cell of our body
and every atom of our cells.

CLAUDIO MAZZUCCO (1960-Present)

You ask how can we know the infinite?

I answer, not by reason...

You can only apprehend the infinite

by entering into a state in which

you are finite self no longer.

This is the liberation of your mind

from finite consciousness.

When you thus cease to be finite

you become one with the infinite.

You realize this union, this identity.

PLOTINUS (204-270)

Meditation
is the most efficient means
to raise the consciousness
toward Divine Reality.

ROSICRUCIAN MANUSCRIPT

The Universal Mind
as an intelligence
permeates every cell of our being
and is accessible
as an infinite wisdom.

ROSICRUCIAN MANUSCRIPT

The joy of living can only
be experienced when we are able
to give expression to our
inner spiritual or psychic self.

When we strive to express our
higher nature through the study
and practice of creative activities
we come to know and
objectively realize the beauty
and fullness of life.

ROSICRUCIAN MANUSCRIPT

They can be like a sun,

words.

They can do for the heart

what light can do for a field.

JOHN OF THE CROSS (1542-1591)

More than ever,
the world needs
optimism, hope, and unity.

ROSICRUCIAN MANUSCRIPT

God [the Divine] revealed a sublime truth
to the world when God [the Divine] sang,
I am made whole by your life,
Each soul,
Each soul completes me.

HAFIZ (ca. 1320 – 1389)

To the mystic, prayer is a meeting
of the minds. It is not an occasion for
personal petitioning, but for
spiritual communion.

It is a time when the soul within us
and the deepest and most
inner parts of our being sacredly,
sincerely, and quietly speak to the
Divine and express the deepest wishes
of our hearts and minds.

H. SPENCER LEWIS (1883-1939)

Death does not exist in the
absolute sense
—it simply constitutes one of the
two phases of cosmic life.

ROSICRUCIAN MANUSCRIPT

We are immortal in essence...
our goal is to become aware of this
and to act accordingly.
To do so we have no other choice
than to go deep within our innermost self,
within our Inner Temple,
to contemplate Beauty,
and to receive eternal Knowledge.

ROSICRUCIAN MANUSCRIPT

Live a good life. If there are gods [deities] and they are just, then they will not care how devout you have been, but will welcome you based on the virtues you have lived by. If there are gods [deities], but unjust, then you should not want to worship them. If there are no gods [deities], then you will be gone, but will have lived a noble life that will live on in the memories of your loved ones.

MARCUS AURELIUS (121-180)

Allow your life to unfold naturally.
Know that it too
is a vessel of perfection.

TAO TE CHING

The confidence
a mystic must demonstrate
is that of the heart
and not of reason.

CHRISTIAN BERNARD (1950-Present)

The greatest illusion
of existence
is the attempt to explain it.

VALIDIVAR (1904-1987)

The best way to obtain
the blessings of the Cosmic
is to acknowledge
the blessings that are ours.

ROSICRUCIAN MANUSCRIPT

I contribute to peace
when I do not seek to impose
my conception of the Divine
upon others...

ROSICRUCIAN CONTRIBUTION TO PEACE

The aim of all human beings is to perfect themselves; to become better persons.

Therefore, constantly endeavor to awaken and express the virtues of the soul that animates you. In doing so, you will contribute to your evolution and serve the cause of humanity.

ROSICRUCIAN CODE OF LIFE, Point #5

The kingdom of God [the Divine] is
not coming in an observable way.
Nor will people say, *Look, it is here!*
Or, *It is there!* For look, the kingdom of
God [the Divine] is within you.

LUKE, NEW TESTAMENT

Lo, I am with you always
means when you look for
the Divine, the Divine is in the
look of your eyes, in the
thought of looking, nearer to
you than yourself,
or things that have happened to you.
There's no need to go outside.

RUMI (1207-1273)

Prayer from the heart
can achieve
what nothing else can
in the world.

MAHATMA GANDHI (1869-1948)

Humans have the power
to make Earth
a place of peace
and harmony.
It simply depends on everyone.

ROSICRUCIAN MANUSCRIPT

This is the way of peace:
Overcome evil with good,
and falsehood with truth,
and hatred with love.

PEACE PILGRIM (1908-1981)

Despite the trials and tribulations of life,
always consider life the most precious gift
the Cosmic ever granted human beings,
because it is the medium of our spiritual
evolution and the source of the happiness
we seek. Furthermore, regard your body as
the temple of your soul,
and take great care of it.

ROSICRUCIAN CODE OF LIFE, Point #2

The goal of life is to provide a vehicle
for life, and by this medium,

to give the Universal Soul
a tangible basis for evolution.

The material world is the mirror
in which the Divine untiringly contemplates
Its own reflection.

ROSICRUCIAN MANUSCRIPT

Whatever you resolve to do, do it quickly.

Defer not till the evening what the
morning may accomplish.

ROSICRUCIAN MANUSCRIPT

Building a fairer and more balanced world must come through raising consciousness, an elevation of the awareness of individuals that enables one to conceive and implement new projects that can benefit all humankind, even in seemingly small ways.

The Rosicrucian Order, AMORC

If *Mystic Wisdom* has heightened your interest in mysticism, one way to find out more is by requesting the free, no obligation booklet, *Mastery of Life*, from the Rosicrucian Order, AMORC.

Purpose and Work of the Order

The Rosicrucian Order, AMORC, is a philosophical and initiatic tradition. As students progress in their studies, they are initiated into the next level or degree.

Rosicrucians are men and women around the world who study the laws of nature in order to live in harmony with them. Individuals study the Rosicrucian lessons in the privacy of their own homes on subjects such as the nature of the soul, developing intuition, classical Greek philosophy, energy centers in the body, and self-healing techniques.

The Rosicrucian tradition encourages each student to discover the wisdom, compassion, strength, and peace that already reside within each of us.
